To Whom It May Concern:

I will be testifying at the STB's "Rail Capacity and Infrastructure Requirements" hearing on April 11, 2007. My testimony will include, but will not be limited to, UPS's intermodal experience, current service and capacity challenges, and the outlook for future intermodal freight rail transportation. I anticipate my testimony will last ten minutes.

Sincerely,

A handwritten signature in cursive script that reads "Thomas F. Jensen".
